Getting you there in comfort

About us

Vega Tour - Leading European coach company!

Vega Tour was founded in 1991 and it is currently one of the top European transport companies offering coach trips and bus lines. We provide high standard and reliable services to clients from all over the world. With more than 150 luxury coaches, minibuses and limousines we are an important player in this industry.

Our other activities include a travel agency, rental and sale of Windy Boats, Eura Mobil motorhomes, plane rental, sale of buses, a car repair shop and tire shop, selling spare parts and a driving school.

About us

240,000 transported passengers per year

150 coaches in our fleet

2 boats

1 airplane

24/7 dispatching service

2 years average age of the coaches in our fleet

Our services

Coach rental

The core business of Vega Tour is coach transport all over Europe. We offer our clients transport in modern luxury coaches (**not older than 5 years**) with above-average equipment. Our buses are driven by professional, English speaking drivers in uniforms.

- sightseeing tours and travels to the sea or mountains
- city and airport transfers
- transport to congresses and VIP events (MICE)
- company passenger transport (shuttle bus)
- school shuttle bus
- tours for handicapped persons

Safety and equipment of our coaches

Safety is crucial to us. We equip our coaches with modern systems and we do everything possible to make our passengers feel like at home when on board.

- safety systems: adaptive cruise control (ART), active brake assist (ABS/ABA 2), lane assist (SPA), front collision guard (FCG), electronic stability programme (ESP)
- all seats have safety belts
- welcome and safety video
- safety leaflets behind each seat
- secured luggage compartment
- professional uniformed drivers with certificates of safety driving courses
- Wi-Fi available in the whole Europe in selected coaches
- a coach and minibus for transporting handicapped persons

Bus lines and one-day trips

We offer coaches with premium services on board for bus lines to the sea or mountains. A bus ticket may be bought individually. The range of on-board services offered is also above par. Our passengers can look forward to reading magazines, getting blankets or traveller's sets that will make their overnight travels more comfortable, free Wi-Fi available in the whole of Europe on selected lines, films and - most importantly - pleasant drivers who will help you with your check in.

- winter bus lines to ski resorts in the Alps: **France, Italy**
- summer bus lines to the sea: **Croatia, Italy**
- one-day cultural and shopping trips
- one-day seasonal trips

Transporting persons on wheelchairs

The vision of Vega Tour is to offer high quality bus transport for anyone, which is why we also think of the needs of our handicapped passengers. Our fleet includes vehicles with platforms for boarding wheelchairs:

Mercedes-Benz Turismo

- capacity for 9 persons in wheelchairs or 56 passengers on seats
- seats placed on rails enabling the disposition to be easily changed

Mercedes-Benz Sprinter

- capacity for 5 persons in wheelchairs or 21 passengers on seats
- luxury, partly leather seats

Our drivers' qualification

Safety driving courses

We put emphasis on our drivers' training and education and we regularly invest in their professional skills and provide language courses. Our drivers attend safety driving courses held by OMNIplus on ADAC premises – the Driving Safety Center at Hockenheimring in Germany, they are trained on safety intervals and compulsory rest and also on customer care.

Language skills

With regards to the fact that our clients come from all over the world and since we run our buses in the whole of Europe, it is essential our drivers can easily communicate in foreign languages. All our drivers take extensive language tests on annual basis.

Driving Standards

The safety of our clients is of crucial importance to us, which is why we adhere to international regulations relating to driving time, break and rest period rules for drivers (amended Regulation EC 561/2006, EC 3820/85 and AETR).

Membership of organisations

Vega Tour is a member of the following Czech and foreign travel associations.

ETOA – European Tourism Association

www.etoa.org

European Tourism Association ETOA is the only European business organisation for European companies from the tourism sector. It has over 700 members, a third of them being tour operators and the rest associated partners - suppliers from the field of tourism, hotels, coach operating companies and others.

One of the aims of ETOA is to associate dealers and buyers of travel services, offer background to its members, represent them and lobby for them on various levels in the European Union or elsewhere.

AČCKA – the Association of Tour Operators and Travel Agents of the Czech Republic

www.accka.cz

The Association of Tour Operators and Travel Agents of the Czech Republic (AČCKA) is a Czech professional association of entities active in tourism that was established in 1991 with over 240 businesses from the tourism sector. Its regular members are travel agencies offering incoming and outgoing tourism services. Associated members of AČCKA are foreign travel agencies, hotels, tourism centres, schools and businesses offering services to travel agencies (e.g. insurance companies).

PCB – Prague Convention Bureau

www.pragueconvention.cz

Prague Convention Bureau (PCB) is an association of professionals from the congressional industry with its registered seat in Prague. The mission of PCB is to enhance positive awareness of the capital city of Prague as a congressional and tourist destination. PCB was founded in 2008 and cooperates with Prague City Tourism, the Municipal Council of the Capital City of Prague, CzechTourism and the Association of Hotels and Restaurants of the Czech Republic.

Smart Move

www.busandcoach.travel

Vega Tour supports Smart Move, a worldwide campaign aimed at promoting bus transport instead of cars since it is safer, more environment friendly and cheaper.

Smart Move is supported all over the world by more than one hundred partners including industrial organizations, car manufacturers, thousands of coach companies and other individual supporters.

Business superbrands 2015 award

The Vega Tour brand has been named one of the best brands in the B2B segment in the Czech Republic by a professional jury in 2015 year's evaluation of Superbrands. Thanks to this award, Vega Tour can boast the prestigious seal of quality 2015 Business Superbrands.

The elite club of Superbrands is the world's most respected functioning independent programme for brand evaluation, which takes place in almost 90 countries around the world, including the Czech Republic.

We not only perceive the 2015 Business Superbrands Award as recognition of our long-term quality, but also as a commitment to the future to our business partners and end customers.
